By the generosity of the members of the Nebraska Admirals Association (NAA), through donations directly to the Scholarship fund, the NAA provides two \$1,000.00 scholarships for young people who are reaching for a University of Nebraska degree in Travel and Tourism. One from Lincoln, (UNL) and one from Kearney, (UNK).

In addition, Mr. Robert & Mrs. Janice Batt of Omaha Nebraska have chosen to provide an additional \$1,000.00 scholarship to a University of Nebraska, (UNL) student, through the Nebraska Admirals Association Scholarship Program.

To all of you who support this program, there is a growing list of young, Nebraska educated people who have said and continue to say "Thank you ". (See Page 2).

PASSING OF PAST FLEET ADMIRAL MELVIN MILLSAP

This spring saw the passing of Past Fleet Admiral Melvin Millsap. Mel was a Leader, and when it required a little extra leading and doing, he put on his work gloves and you would find him deep into it.

For me, his passing was very personal. Mel and I had been good friends for the past 52 years. In February of 1959, we both joined the Navy as part of the All Nebraska Beef State Company in Boot Camp. He introduced himself to me as Shorty Millsap. I don't know how much time passed before I knew his real name was Melvin. There were 82 of us young Nebraska boys who went to San Diego together for our basic training. Governor Ralph G. Brooks awarded an Admiralty to all of the sailors in the All Nebraska Beef State Company.

school and to Submarine school together, then we went on our separate ways until 2000, when my wife and I had moved to Kearney, and Mel and his wife had moved back to Broken Bow to help his folks on their ranch. Mel was already involved with the Nebraska Admirals Association (NAA), and asked me to volunteer some of my time. The pictures included are of mostly of Shorty, me, and some

In October of 2006, Kearney 2nd grade teacher Julie Everett's class of 29 students helped make Christmas Tree Ornaments for our Service men and Women under the NAA's Christmas Ornament program. Those 29 young Nebraskans made over 300 tree ornaments. Governor Dave Heineman personally awarded and presented a Nebraska Admiralty to Mrs. Everett and all of the 29 students who could attend a December awards ceremony at the Hill Top Mall in Kearney, NE.

We attended as representative of the Nebraska Admirals Association. The welcome and thanks received from the commanding officer and his crewmembers was humbling. Do you have a friend or acquaintance who says that they too are an Admiral in the Great Navy of the State of Nebraska? If you do, ask them if they are a member of the **Nebraska Admirals Association (NAA)**. If they are not, invite them to join.

What does it mean to be a Nebraska Admiral? There are probably as many answers to this question as there are admirals. If you were born and bred in Nebraska, it is surely a very important part of your identity.

The admirals who have decided to join the **Nebraska Admirals Association** have determined that they want to do more. They have banded together and decided that they are going to use this special designation for a greater purpose. They give tax-deductible donations so the association can fund scholarships through the University of Nebraska foundation for deserving young men and women whose goals are to promote the State of Nebraska to the rest of the world! The **NAA** supports the sailors from the USS Nebraska on their trips to the State twice a year! The **NAA** coordinates making and delivering of handmade Christmas Ornaments for Nebraska soldiers, sailors, and veterans.

The **Nebraska Admirals Association** is a voluntary organization of those who, over the years, have received a commission as an Admiral in the Great Navy of the State of Nebraska.

Many Nebraskans and visitors to our state have not heard of our navy. After receiving their commissions, many have asked, "Now that I am an Admiral, what are my duties, what can I do for Nebraska?"

The **Nebraska Admirals Association** has the answer to that question, and perhaps much more. Nebraskans who have earned an Admiral's commission are more serious about the coveted appointment.

Nebraska Admirals Association members are enthusiastic about working for Nebraska and contributing in his or her own unique way.

A LETTER FROM THE EDITOR

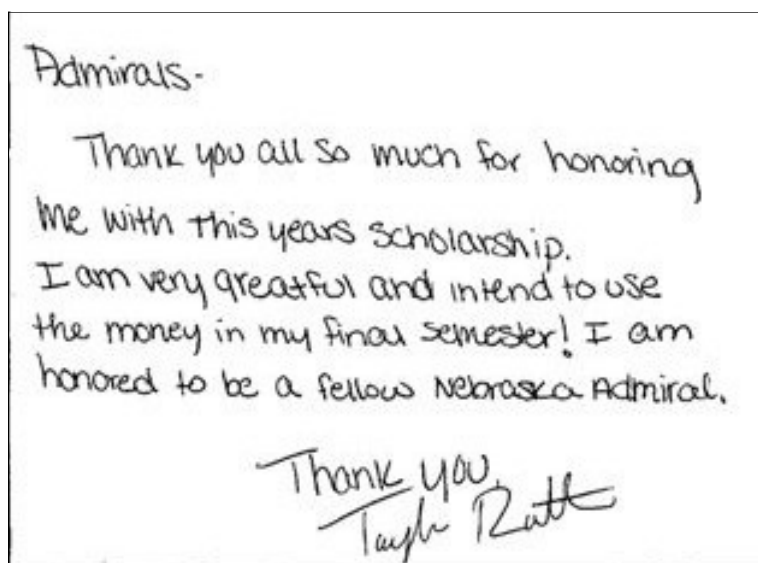

I start my letter to you this issue, with an apology for the tardiness in this issue of the *ANCHOR*. We sold our home in Kearney and bought a home in Lincoln and moved this year. This process took more of our undivided attention than I had imagined.

Thank you for your understanding — Guy Miller, Editor

There are a couple of meeting dates we would like you to consider:

♦ The NAA's next regular **quarterly meeting** is scheduled for January 14, 2012 in York, NE. If you would like to attend or would like more information please contact one of the NAA Board members. (See below)

♦ The next NAA Annual meeting is scheduled for April 7, 2012 in Grand Island, NE. If you would like to attend or would like more information please contact one of the NAA Board members. (See below)

To the left is a hand written note from UNK Scholarship recipient, Taylor Rath. In the Fleet Admiral's Letter in this issue, you will see that I was able to attend a luncheon for the UNK Scholarship recipients. I wish that I was skilled enough to convey the deep felt "Thank You" that comes from the hearts of recipients and administrators. Your Scholarship dollars are significant. Our luncheon companion, UNKs Dr. Brent Cejda, shared an overall view of the struggles and challenges that today's students and administrators are facing in order to provide a degree from the University of Nebraska. Once again, Thanks to all of the Nebraska Admirals who contribute to the NAA Scholarship program.

THANK YOU *for your Dues & for the Scholarship Donations!*

Our membership dues support almost all of the great programs the Association sponsors throughout the year, including showing the visiting sailors from the USS Nebraska the best of the real heart of America, funding Operation Ornament and of course, printing and distributing your Newsletter directly to you!

Your Scholarship donations for the past two years have provided two (2) **\$1,000** Scholarships. That's one (1) student at UNK and one (1) student at UNL, who find it possible to finish their senior year with fewer loans. In addition, Robert & Janice Batt have been donating \$1,000.00 annually, through the Nebraska Admirals Association to provide a third **\$1,000** Scholarship.

We depend on the generosity of our members to provide the Scholarship Donations. The Scholarship Donations are our only source of Scholarship funding.

You can pay more than one year at a time, if you prefer, and you can add extra amounts specifically for the Scholarship fund. Just be sure to specify what amount is for what! That way, our finance officer will know what's what on your check! And if you are affiliated with a company that will match scholarship donations, the Nebraska Admirals Association is a 501(c)3 organization; it will double your donation's

The membership year is the same as the calendar year so go ahead now and mail in your \$20 check to:

Nebraska Admirals Association
 PO Box 83723
 Lincoln, NE 68501

Memberships expire on December 31st of the year in which they were paid (October, November, & December exception). Example: Any dues paid from October 1, 2011 thru September 30, 2012 will expire on December 31, 2012 and are due on January 1, 2013. Please look for your Due date on your Newsletter mailing label.

Ahoy Fellow Admirals:

It has been a busy year for our association. Due to the weather, we held our January 22nd Quarterly Meeting in Kearney with a telephone conference to board members who were available but could not attend. We held the annual meeting April 16th, 2011 at the Holiday Inn, Kearney, NE. All three of our scholarship recipients were in attendance. We met on July 16th and October 15th at our usual meeting place, "The Kitchen" in York, NE.

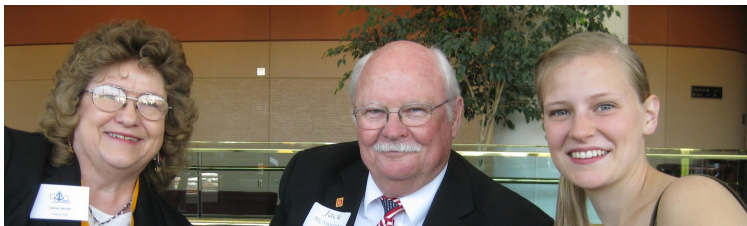

"Silver Sails Across Nebraska" was the theme for the 2011, NAA 25th Anniversary. Chief of Staff Gloria Le Droit worked diligently to plan this celebration. She lined up a memorable event during the opening ceremony at the Nebraska State Fair. We were acknowledged by our Governor Dave Heinemann as he opened the 2011 State Fair in Grand Island, NE on August 27th.

We shared a fair booth with the Kearney Chamber of Commerce. NAA member volunteers took turns talking about our association to the attendees. Paul Warshauer took the reins to schedule the booth hours for the fantastic volunteers who worked during the fair.

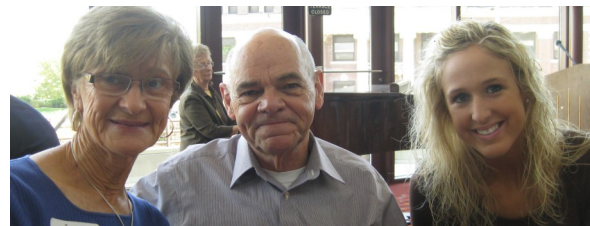

On October 25th, the College of Education and Human Science at the University of Nebraska Lincoln sponsored their annual Scholarship Donor Luncheon. The 2011 Luncheon was held at the Lied Center for the Performing Arts, in Lincoln. Attending and Representing the Nebraska Admirals Association (You, the donors) were Fleet Admiral Jack McSweeney, Chief of Staff Gloria LeDroit, Editor & Membership Coordinator Guy Miller, and JoAnn Miller. The two NAA Scholarship recipients from UNL, Abbie Gabel and Hanna Pinneo (our Batt Scholarship recipient) were our honored table companions along with Dr. Brent Cejda, Associate Professor and Interim Department Chair UNL Educational Administration.

Booth volunteers L to R are Chief of Staff Gloria LeDroit, Chief Yeoman Janice Wiebusch, and Fleet Admiral Jack McSweeney.

Pictured Left to Right are Chief of Staff Gloria LeDroit, Fleet Admiral Jack McSweeney, and NAA Scholarship recipient Hanna Pinneo (our *Batt Scholarship* recipient)

Pictured Left to Right are JoAnn Miller, Editor & Membership Coordinator Guy Miller, and NAA Scholarship recipient Abbie Gabel.

We are extremely pleased to announce Paul Warshauer has been elected our Association Historian. Paul attended our quarterly meeting representing our Grand Island Port and found himself in a board officers' position. It was an arduous campaign Paul waged and he came out the overwhelming choice candidate. Today, I visited with ISGT Doug Schultz and his family, he returned from Afghanistan last week. He will join our group since we conferred an Admiralship on him earlier this year. He plans to retire from the Army National Guard this year. He will be a welcome addition to our group.

We can now pay our annual dues \$20.00 on line at our web site if we so state that our PayPal dollars into our account is destined for either dues or scholarship donation. Thank you to those that have paid their dues for 2011. Remember, they are annual dues, not lifetime, unless you send \$250.00.

Remember our association is only as good as its members. The entire board of officers thanks you for your membership and participation in our mission to advance Nebraska tourism and travel and support our sailors of the USS Nebraska and our deployed troops and residents of the Grand Island Veterans Home.

Sincerely,

Fleet Admiral, Jack Mc Sweeney

USS Nebraska

The USS Nebraska was commissioned July 10, 1993. These

most sophisticated of weapon systems cost \$4 Billion each when they were built. Propulsion is provided by a nuclear reactor. She is 560 feet long, 42 feet wide and travels at 20+ knots.

The crew is comprised of 17 Officers, 15 Chief Petty Officers and 122 Enlisted (2 Crews). The average age of the entire crew is 23 years old. It is always incredible that these young men carry such enormous responsibility.

The primary purpose of our 14 Ohio Class Submarines is to carry a complement of Trident Nuclear Ballistic Missiles as a deterrent to first strike attacks.

◆ . The United States has 18 Ohio-class submarines:

- ◆ 14 nuclear-powered SSBNs, each armed with 24 Trident II SLBMs; they are also known as "Trident" submarines, and provide the sea-based leg of the nuclear triad of the United States strategic nuclear weapons arsenal
- ◆ 4 nuclear-powered SSGNs, each capable of carrying 154 Tomahawk cruise missiles with conventional warheads

◆ The 14 Trident II SSBNs together carry around fifty percent of the total U.S. strategic warhead inventory. The exact number varies in an unpredictable and highly classified manner, at or below a maximum set by various strategic arms limitation treaties. Although the

missiles have no pre-set targets when the submarine goes on patrol, the platform, when required, is capable of rapid targeting using secure and constant at-sea communications links. The Ohio class is the largest type of submarine ever constructed for the U.S. Navy.

~ MISSION ~

NEBRASKA ADMIRALS ASSOCIATION's primary purpose is to organize the Admirals in the Nebraska Navy into a force for the promotion and enhancement of the "Good Life of the State of Nebraska," specifically:

- ⇒ To promote education and educational activities throughout the state
- ⇒ To promote tourism in the state
- ⇒ To promote Nebraska products
- ⇒ To enhance Nebraska's agricultural industry
- ⇒ To seek and save Nebraska's sea
- ⇒ To develop and maintain ports throughout the state
- ⇒ To enjoy fun activities such as "walking the plank"
- ⇒ To build Nebraska pride and esprit de corps
- ⇒ To recycle Nebraska's assets
- ⇒ To increase the fleet of flagships of the Nebraska Navy
- ⇒ To continue efforts to have U.S. Naval ships named after Nebraska, its people and places.

~ WHO ARE WE? ~

The Nebraska Admirals Association is a voluntary organization of those who, over the years, have received a commission as an Admiral in the Great Navy of the State of Nebraska.

No governor has ever mobilized this vast storehouse of talent and ability for the good of Nebraska; it is estimated that over one hundred thousand Admirals have been appointed. Many Nebraskans and visitors to our state have not heard of our navy; they have not heard of the waves of prairie schooners that at one time plied our plains under which lies our real wealth---Nebraska's under-ground sea.

After receiving their commissions, many have asked, "Now that I am an Admiral, what are my duties, what can I do for Nebraska?" The NEBRASKA ADMIRALS ASSOCIATION has the answer to that question, and perhaps much more. Nebraskans who have earned an Admiral's commission are more serious about the coveted appointment.

NEBRASKA ADMIRALS ASSOCIATION members are enthusiastic about working for Nebraska and contributing in his or her own unique way.
